KOREX

1

Inquiry

Client submits a request; a dedicated manager builds a personalized "vehicle profile"

3

Inspection

Comprehensive technical audit with live photo/video evidence

5

Logistics

Port delivery, international shipping, customs clearance, and document processing

2

Sourcing

We identify top-tier lots, verify VIN/mileage history, and check for past accidents

4

Acquisition

Upon approval, we purchase the vehicle, transfer it to our secure lot, and prepare documentation

6

Delivery

Client receives the vehicle; our manager remains available for post-delivery support

● **Risk Management**

We verify every lot and VIN; we offer a deposit refund guarantee

● **Maintenance & Upgrades**

Full technical service and oil changes before shipping

● **Security & Storage:**

Complimentary storage at our guarded facilities

● **Financial Efficiency**

Direct-from-supplier pricing via exclusive dealer networks

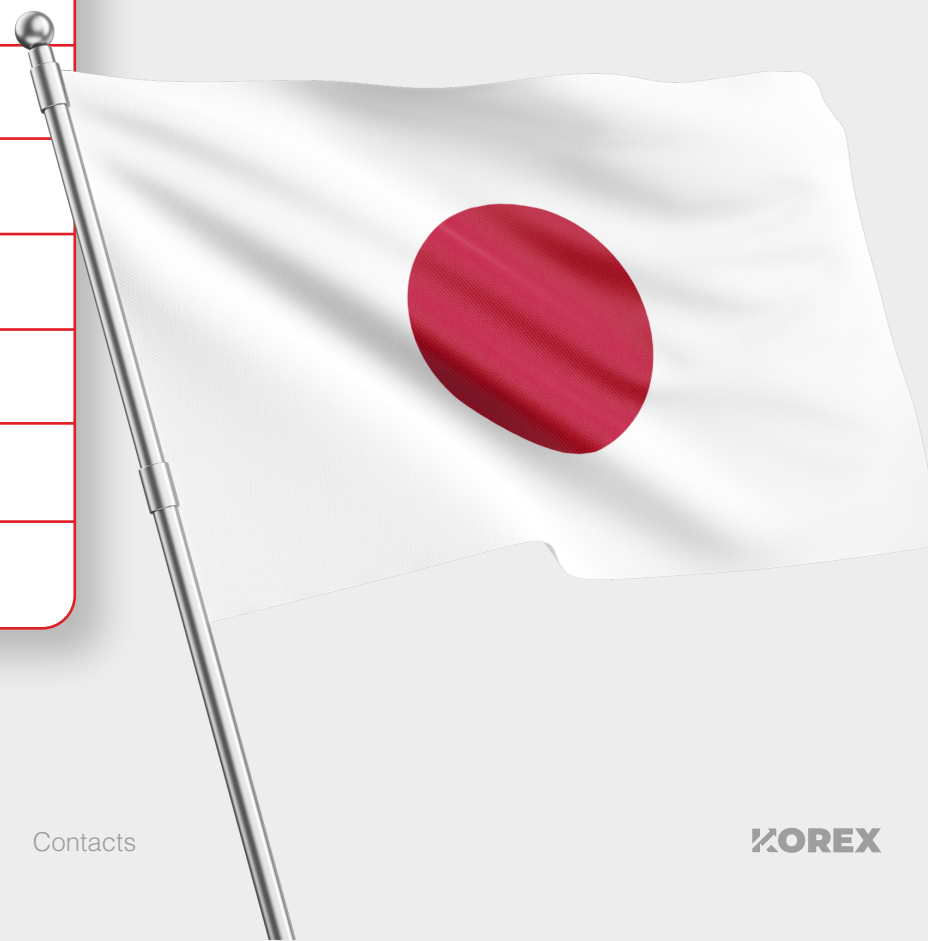

● **Transparency**

24/7 client communication and detailed status reports

Shipping Terms: **JAPAN**
